I heard back from Victoria's brother who said he will send a copy of her obituary to me.

Woody and I never met, at least I don't remember, he was on the west coast and I the east but I did find out we flew the same helicopter on active duty. My curiosity about the plane crash is piqued.

Found this for Vicki but it says she graduated from USC in '76, not '75. I will contact Stephen to see if I can get an obituary.

Here is her senior pic and the ones on the obit site resemble her.
