Hi everyone. I am left with the people below for whom I found limited or no contact information. When I did this for my class ('73), I did like you, posted on the class facebook page but I also sent an email blast "to: me" "bcc: all email addresses (to protect privacy and because not everyone is on FB) and then listed the classmates I needed help with.

If you find a nugget that I can help dig deeper with, by all means send it to me--very happy to help. In the meantime, I should be at Al's after the football game.

Karen Libby Anderson (not sure if Libby is short for Elizabeth--no pic in the yearbook) added to deceased - jc

Susan Karine Caldwell (nothing online for her. Googled the phone # that was called in 2015 and it points to a Susan Caldwell but have no idea it's her)

Sonja M Cary (nothing on line for her, name is not in the commencement program)

Joanne Lori Hamilton--I googled Joanne Hamilton Martin and she showed up on the class of '76's page with a link to her facebook page:

I sent a note to her on FB messenger as well as a test email to the one on your spreadsheet. She is connected to a mutual friend from '72 and one of my classmates who I will contact. She responded saying she was supposed to be '76 but worked very hard and graduated with '75. She will not be attending the reunion and did not offer any other contact info.
