Who also helped ensemble Messenger and others!!!!

Morning Ann. Make Wehrman is listed as missing. His brother Paul, was in my class. I contacted Paul and he wrote back the following:

"My brother Mark can be reached at 678-933-2451 (call or text) or markwehrman2010@gmail.com. Call or text would be best.

Unfortunately, Mark has moderate dementia and may or may not respond. I will alert him today that he will get a call or text. He will probably enjoy getting a call from his past friends. Try him two or three times if he does not reply first time.

Let me know if you want further help."

Hope this helps, Jeff
