Hey Jerry,

I really hope the collective efforts will bear much fruit. I felt it was important to get the work done quickly because time is short and your team need as much time as possible to try to contact people so if they want to come, they can make plans.

Jeff

> I have a list of classmates for whom I was unable to find anything but about half of them I put on it before I discovered all the middle names for everyone on the commencement program. I'll work that list tomorrow and send success to you but will then send the truly missing to the people that Ann suggested.
