The spreadsheet has Cathy's address in Houston which matches the database I use but I am sad to report that it appears Cathy died in 2013.

https://www.dignitymemorial.com/obituaries/bellaire-tx/cathy-winfield-5454022

Looks like her LinkedIn page based on the comments in the obit page:

https://www.linkedin.com/in/cathy-winfield-b431055/

I found some siblings that I will try to contact to confirm and hopefully gain an obit or why she died.

Jeff
